Yurizan (AKA: Sweet Yurizan, Yuri Luv, Yurizan) is a Latina bombshell from Los Angeles who made a name for herself by starting her own erotic website in 2005. She ran her porn site and worked as a pinup model for several years, until she finally transitioned into the professional porn scene.

In my humble opinion, the art of good porn is all about visual and sexual mechanics. If you take a hot woman and she just lays there...no good!

Yurizan is definitely the complete package!

# And the winners are...

## Best B Cup

*Sasha  
Grey*

This was a really tough call. I had to go back a review several photos of Sasha and Tori Black. Sasha won out because of her puffy nipples.

## Best C Cup

*Alli  
Rae*

Alli was the obvious choice. Of all the nominees, her breasts were the fullest (especially for a C Cup) and the most, uh...cupable.

**Best D Cup**

*August  
Ames*

Another tough call. Erica Campbell has a really great set of tits but after looking over additional photos of August, the are full, with a more natural look.

**Best DD Cup**

*Katerina  
Hartlova*

I LOVE Gianna Michaels! If it came down to usage in a scene, Michaels would win hands down but Katerina seems to be a bit more firm which would help to create the shot you see above.

## Best Monster Naturals

*Miosotis*

What makes monster tits attractive is the rest of the body. Any woman that starts off with a decent DD can gain 150 lbs. and have monster tits so it's rare that you find a woman with a HUGE tits with a somewhat small body. That's why Miosotis wins hands down. MEGA HUGE TITS without the 350 lbs.

## Best Nipples

*Kina Kai*

This was one of the hardest because all of the ladies had great, very suckable nipples. We narrowed it down to Ice la Fox and Kina Kai and when we went back to re-view, Kina was the one with the constant double stacked M&M's that won't melt in your mouth.

## Best Big Fakes

Miho  
Ichiki

There were so many to choose from but I think we knew at the outset that Miho was the hands down winner. Her tits are so perfect that they look like they look like fucking Hentai. I challenge you to draw a more perfect set of tits.

## True stories of my sexual adventures

# Chunky Melons

By Ron L. Cummings

*Names and places have been changed to protect the not so innocent.*

Full disclosure, I am a sufferer of mazophilia, also known as breast fetishism - though for most of you it's not something that you can suffer from.

I admit it, I have made it life long goal to see as many big racks as possible live and in concerto!

That brings me to my story.

There was a women at work that would come down to my department to drop of paperwork.

She was heavy set, blonde, with a very cute face and a set of tits that entered the room 2 minutes before the rest of her.

One day, I just happened to mention to a couple of my co-workers that she was big but very sexy.

As it turned out, one of my co-workers mentioned that she was her cousin! Melissa said she would love the fact that I thought she was sexy and asked if I wanted her to tell her.

Sure, hook me up!

The next day she formally introduced me to her cousin Stephanie.

We really didn't hit it off at first. I was kind of

wondering if she had even told her what I thought about her.

Until late in the afternoon one Friday when Stephanie asked me if I would like to go have a drink with her.

She was wearing a loose fitting shirt, that was unbuttoned just enough to show a hint of her massive cleavage. I remember thinking the same thought that I always think when I see a pair of nice tits...if they look that large in a bra, they must be twice that size out.

I accepted!

I followed her to a local bar that also happened to be close to my apartment. We spent a few hours exchanging small talk and downing enough drinks to take the chunky Stephanie to the extremely sexy Stephanie...I couldn't wait to get my hands on those tits.

I invited her back to my apartment and we drove separate cars back to my place...no drinks!

I asked her to wait on the couch while I ran across the street for a few more adult beverages.

I went a picked up a few items and when I returned I noticed that she had sort of made herself at home.

She was watching TV and her skirt was a little

higher and her blouse was unbuttoned down to her black bra. At least I thought it was a bra, it looked more like a black fisherman's net.

We had a few more drinks and the more we drank the closer she got and the more her skirt seemed to move up until I could see her matching black lace panties.

We talked and laughed and then abruptly she leaned in and her tongue was in my mouth so fast that I almost choked.

I went right to rubbing between her legs, her panties were already wet. She had reached the point where she couldn't pretend that she didn't want it to happen.

I pushed her panties to the side and inserted two fingers easily inside her. Thrusting back in forth until my fingers were covered with the creamy white liquid inside her as she reached her climax.

I removed her panties and did a face dive into her pussy, I wanted to see if I could make her come again that way I could get what I wanted.

I didn't want to fuck, I wanted my cock in her mouth and between those huge monster tits.

I ate like it was my last meal until she began to shake and scream...mission accomplished!

Now, let's see those tits!

If you aren't a true breast connoisseur like myself, you wouldn't know that most big breasted women tend to purchase bras that are smaller than the actual size that they should wear.

Sometimes unleashing those tits can take a few hand tools and the military. There's none of that squeezing the clasp together with two fingers shit.

So I grabbed the back of that bra with both hands and pushed with all of my strength...and there they were.

Her tits were larger than my head...hell, almost larger than my arm!

I dropped my trousers and mounted her chest high.

She took my cock inside her mouth and licked and sucked like it was covered in her favorite candy.

When I was properly lubed up I buried my cock between her massive breast.

It was like fucking two flashy pillows!

She pressed then together like she had done this 1,000 times. I'm sure I wasn't the first to tit fuck her. I could only imagine that most of the men she had been with were just as mesmerized by her large tits.

When her saliva dried up, I went and grabbed a bottle of Baby Oil and lubricated her tits just enough to be slick but not so much that it would have been like fucking a glass of water.

She slid those tits back and forth across my cock until I shot my first shot into her neck. She grabbed my cock and jerked me off as I squirted across her face, into her hair and finally across those huge tits of hers, covering them with cum.

She stayed the night!

She went out, picked up some clothing and actually ended up spending the weekend.

We did everything under the sun and yes, I enjoyed spilling a lot of cum over her chunky melons.

What a great set of monster tits!

## Filthy Gorgeous Media Debuts the Pussy Pillow

NEW YORK—Despite the entirely accurate boast issued by Filthy Gorgeous Media—"We've created the internet's most overdue mashup based on cyberspace's two most popular searches"—we did not see this coming.

Filthy Gorgeous, which calls itself "a disruptive alternative to traditional media brands," sent in a press release today about its newest product: the Pussy Pillow.

To truly be won over by this product, however, it's imperative to check out the YouTube.com video created to promote the first product in a line of decorative household throw pillows.

As the video explains, denizens of the World Wide Web have two things on their minds: cute cats and naked women. "Both furry, both entertaining, both hallmarks of our great information highway," Team Filthy Gorgeous notes. "So in the spirit of historic combinations like peanut butter and jelly, beer and pizza, and cash and free time, we humbly offer up our own unholy marriage: The Pussy Pillow."

They had us at pussy (both varieties).

As the press release notes, "On one side there's an adorable, fluffy feline, and on the other, a beautiful, completely symmetrical vagina. The internet's two favorite things ... and now you can sit on both of them at once with our patent-pending Pussy Pillows! Use as a comfy place to rest your head after a hard day's work talking to a bunch of assholes at your job, relax with your favorite partner or give as a gift to your grandmother."

We're betting that more than a few of our readers will get a charge out of this item.
